~Please review and initial each of the following Parelli Event Rider Guidelines, sign at the bottom and **return with your payment and signed Release Form.**

_____ A Rider at a PNH Event is required to bring an accommodating horse that they feel extremely comfortable riding in a group, at a walk trot and canter. Please do not bring an unstarted horse or a horse that has not been ridden in a long time. If you are not comfortable to do this when it is time to ride, you will be asked to take your horse out and only watch. No refund will be given. **Stallions are not permitted.** Individual situations vary, so please pass on any special requests to the PNH Event Host for consultation with the instructor.

_____ We suggest that those under minimum age of 18 to watch rather than ride. Approval from the instructor could be granted through the PNH Event Host if the youth has been an active student of PNH, or has achieved Level 1.

_____ Do not change rider or horses during the PNH Event. If a rider or horse becomes unable to complete the PNH Event, another person should not step in, and likewise, a different horse should not be used for the remainder of the PNH Event. No refund will be given, as the PNH Event Host cannot be responsible for unforeseen problems.

_____ Advanced Partnership Level 1, and Level 2 PNH Events have prerequisites for riders to participate. If you are riding on one of these levels and you are unclear what these requirements are, please contact Ron & Karen Pyne at (613) 359-6114 or rnkpyne@kingston.net

I have read, understood, and agree to participate within the above guidelines. If under 18, the parent or guardian must read and sign the above, indicating his/her acceptance.
